Réf : N° 00-0135 /JICA/2020/BF

Monsieur le Secrétaire Général,

Dans le cadre de l'exécution du programme de l'Aide Publique au Développement du gouvernement du Japon au titre de l'année fiscale 2020-2021, l'Agence Japonaise de Coopération Internationale (JICA) a proposé au gouvernement du Burkina Faso un programme de formation de long terme intitulé « Agriculture Studies Networks for Food Security (Agri-Net) » pour l'automne 2021.

Pour le diplôme de master, la formation se déroulera de septembre 2021 à septembre 2023, et celui du doctorat la formation se tiendra de septembre 2021 à septembre 2024.

L'objectif de cette formation vise à éliminer la faim (atteindre la sécurité alimentaire, améliorer la nutrition, et promouvoir une agriculture durable). Cela exigera des politiques agricoles adéquates et l'introduction de technologies appropriées pour une production alimentaire stable.

Les candidats sont ceux qui remplissent toutes les conditions suivantes :

- Appartenir à des organisations gouvernementales, à des universités et à des centres de recherche, ou à des organismes connexes du secteur privé ;
- S'engager dans des domaines liés à la politique agricole et de développement rural, à la production agricole durable, à la santé, au développement des ressources marines et de la pêche, à la chaîne de valeur alimentaire ou à la conservation de la nature;
- Souhaiter contribuer au développement de son propre pays en cultivant un réseau solide avec le Japon ;

Les demandeurs du secteur privé devraient provenir du domaine lié à la politique agricole et de développement rural, à la production agricole durable, à One Health, à la mise en valeur des ressources marines et des pêches, à la chaîne de valeur alimentaire et à la conservation de la nature.

Les autres critères et conditions, ainsi que le dossier de candidature sont décrits dans la brochure officielle d'informations générales jointe en annexe à la présente

lettre. Il est souhaitable que chaque candidat prenne connaissance des instructions et recommandations qui y sont mentionnées.

Chaque dossier de candidature devra comporter :

- Le formulaire de candidature dûment rempli,
- Le diplôme de premier cycle certifié,
- Un relevé de notes,
- Une copie du passeport valide mentionnant la nationalité, le nom, le sexe et la date de naissance. Une copie de la carte d'identité nationale ou un extrait de naissance pourrait être acceptée en cas de non possession du passeport,
- Deux (02) photos d'identité (4cmx3cm) à coller sur l'original et la copie du formulaire,
- Un certificat de visite médicale à fournir après la troisième sélection.

Conformément à la description contenue dans la brochure officielle d'information générale, les frais d'hébergement, frais de voyage, frais médicaux, et frais de formation au Japon seront pris en charge par la JICA.

Je vous prie de bien vouloir prendre toutes dispositions pour que les dossiers de candidature, dûment remplis conformément à la brochure officielle d'information générale ci-jointe, parviennent à la JICA au plus tard le **10 novembre 2020**.

Les candidats désirant plus d'informations pourront prendre attache avec le bureau local de la JICA sis à la Zone Zaca, tél : 25 33 06 68 à 71.

L'Agence Japonaise de Coopération Internationale (JICA) vous remercie de votre aimable coopération et saisit cette occasion pour vous renouveler, Monsieur le Secrétaire Général, l'assurance de sa considération distinguée.

- *The reasons for disqualification on each selection procedure will NOT BE DISCLOSED.

There are mainly following three selection processes: (A) Selection by JICA in each country, (B) Matching with Japanese universities, and (C) Selection by Japanese universities (entrance examination).

**(A) 1st Selection: Selection by JICA in each country**

[Necessary Actions for Applicants for this selection]

Each applicant needs to submit JICA's Application Documents by the deadline set by JICA office in the applicants' country.

| | |
|------------|---|
| Period | Not later than Monday, 16th November 2020 |
| Contents | Screening of submitted JICA's Application Documents Applicant may be requested to be interviewed. |
| Objectives | To check qualifications and requirements of each applicant. To check applicants' understanding of the program objectives and working experiences/educational background in the context of the "Eligible Participants" (shown in the section 2.). To check applicants' capability of contributing to the achievement of the course objectives addressing his/her country's development challenges after the program. |
| Result | Applicants who pass this selection can proceed to the 2 nd Selection. |

(B) 2nd Selection: Matching with Japanese universities

| | |
|------------|---|
| Period | Dicember 2020- January 2021 (approximately) |
| Contents | Document screening, interview (if necessary) by Japanese universities (mainly "Research Plan" of the JICA's Application Documents, the Undergraduate degree graduation certificate, and Academic transcript) |
| Objectives | To match applicants with university courses/supervisors |
| Selection | JICA will send JICA's Application Documents to the applicants' desired university. University will examine the documents to check if the applicant's field of study and research plan are matched with the courses/supervisors. During this process, universities may contact the applicants for their judgement. University may conduct remote interview during process. |
| Result | Only those applicants who are accepted by the Japanese universities' matching can proceed to the 3 rd Selection. JICA will inform of these applicants of the name of university where the applicant can apply for 3 rd selection. The applicants need to check and prepare university's application documents and submit them directly to the university. JICA will also inform these applicants contact of his/her supervisor (professor). The applicants are then required to contact with the supervisor to receive their instructions. The applicants are required to maintain good communication via mail/skype with their supervisors to gather information on the course or their study subjects. Some supervisors may request to improve applicants' research sheet during this period before entrance examination. |

(1) Notification as a Certified Applicant

For those who passed the matching process, JICA will send a "Notification as a Certified Applicant." Applicants must submit this form when he/she applies for university's entrance examination together with other required document by universities so that the universities can recognize them as certified JICA Agri-Net program applicants, distinguishing from other normal applicants.

(2) Research Student

As a result of the matching, if the university judges the applicant that they need more time to take entrance examination, university may request an applicant to enter the university as a research student for a period of six (6) months at longest. This period is additional and not counted as a part of regular course of Master's or Doctor's program. Research students are requested to stay in Japan and study hard to utilize their time to prepare for the entrance examination. Research students are able to join lectures, receive instruction from professors and make use of university facilities but they cannot acquire credits for obtaining the degree.

Participants as research students are requested to take the entrance examinations during the period of research students. If failed, they have to return to their home country (Agri-Net program ends at that moment). Normally, participants as research students will start their stay in Japan from 2021 autumn if required for 6 months of research student. Their period as regular students, if they passed the entrance examination, will start from April 2022.

Before application, the applicant should take into account the possibility of additional period as research students and should be approved by the belonging organization. **Applicants' availability as research student and approval from his/her organization should be expressed in the Application Documents (Annex 1 and p.4 of AF).**

Necessary living cost during the period as research students will be paid by JICA following JICA's regulation.

Note:

- Some university requires applicants to enter the university as research students regardless of applicants' ability (See the details for Appendix 1 university list).

(C) 3rd Selection: Entrance Examination by Japanese universities

[Necessary Actions for Applicants for this selection]

Each applicant needs to check necessary application documents set by the university where he/she applies. Then, he/she needs to submit university's application documents directly to the university by the deadline set by the university. It is ALL the applicant's responsibility to duly submit required documents to the university by its deadline. JICA will NOT intervene in this process. Some universities require sending hard copies of documents to Japan.

Those who are required to enter as research student also need to check necessary application procedure as research student set by each university.

During this selection process, each applicant may be interviewed (ex. by using Skype) depending on university's selection process.

Fee for entrance examinations are paid directly to each university by JICA.

| | |
|------------|---|
| Period | April – July 2021 (approximately) |
| Contents | Screening of submitted university's application documents and interviews by Japanese universities |
| Objectives | To select the final candidates |
| Venue | If necessary, using Skype or other means for interviews |
| Selection | Universities will screen the applicants through submitted university's application documents and interviews, and etc. |
| Result | The applicants who pass this selection (and JICA adjustment if necessary) will be selected as successful candidates of the program. |

Note:

- JICA may adjust the number of candidates after the 3rd Selection. Therefore, some of the applicants who pass the 3rd Selection may not be selected as successful candidates of the program.

- Due to the COVID-19 pandemic, successful applicants may not be able to come to Japan on September 2021, and have to postpone coming to Japan until necessary conditions are met. In such cases, JICA will explain the situation and procedure to each applicants who pass the 3rd Selection.

(3) Withdraw of the Application

If applicants encounter the situation that needs to withdraw the application by force majeure during the selection process, the applicants need to contact with JICA office and explain the situation as soon as possible.

5. Expenses to Be Borne by JICA

JICA will provide the following expenses for participant of the program.
